BYRAM

Dedication

Byram Attendance was first established in 1914. In its 72 year history, the campus has held first grade through the twelfth grade. However, an increasing amount of student growth has provided the need for separate campuses. In view of this, the 1985-86 Reflections Staff would like to dedicate this yearbook to the entire student body.

By capturing the 1984-1985 Championship the Byram golf team extended their winning tradition. The team has won the state finals three of the last four years.

Senior Carey Wiegand was the 1985 District medalist. Other honors were received by Mike Columbus and Tommy Schisler for making the 1986 All State Team.

On your mark, get set go for the titles!

The 1985 Boys' and Girls' track teams entered the season with the responsibility of defending both their district championships from 1984.

The boys' team returned and recognized that through hard work they would repeat as champs. The girls, on the other hand, had lost overall state champion Kendra Adams and had only six members on the team.

The boys easily captured District VI title on April 26, 1985, in Class AA competition. They outdistanced their nearest competition in total points one hundred and seven to fifty. The boys captured eleven out of seventeen first places and sent sixteen out of seventeen dawgs to South Mississippi. In the South Mississippi meet the boys found competition very tough but were able to send six out of sixteen on to the state championship. The state meet was highlighted by third places in the discus by Jeff Williamson and pole vault by James Harrington.

The girls won an exciting District VI title by extending themselves throughout the meet. The girls captured seven out of fifteen first places in district. The entire team went to South Mississippi to compete in nine out of fifteen events. In the South Mississippi meet, Lora Boshart took first place in the discus and second place in the shotput. Kim File took first in the two-mile run. They placed fifth overall in South Mississippi and sent three out of six people to State to compete in five out of fourteen events. In the State meet Lora Boshart finished second in the discus, and Kim File finished second in the two-mile run and the mile run.

The season was a successful one, enjoyed by the competitors and the fans. The season gave the track team, along with Coach Jim Harris, three District championships in the last two years.

BYRD HIGH SCHOOL
CLASS OF '87

Star Student

Allen Holder was voted into the Hall of Fame as well as being Most Likely to Succeed in the Who's Who elections. He has played football and golf, and he is a member of the yearbook staff, FBLA, and Beta Club. He held the position of president of the Student Council.

Star Teacher

Mrs. Amos has been teaching advanced math, geometry, and fundamental math II at Byram for two years. Two years ago she moved from Florida, where she was sponsor of various clubs and activities. At Bryam, she is a Junior Class sponsor and a Junior High Cheerleader sponsor. She has been married for fourteen years and has two children, Lisa and Bobby.

We were so excited to design the yearbook. Throughout the year we had the advantage of meeting many individuals in the publishing field (Jimmy Nix and Mike Mills especially). Although these people instructed us on yearbook procedures, the year would have been a loss without the help of the following: Mrs. Compere; Mrs. Stuart; Mrs. Baker; Kathy Brown and Kim File, directors of the Who's Who Pageant; Kim Mason and Vici Felker, directors of the Beauty Pageant; Mr. Bill Gambill and Mr. Don Warren for special photography; advertisers; and, of course, the staff.

In conclusion, we sincerely hope that you enjoy this yearbook as much as we have enjoyed putting it together.
